### Contract Issues

- Kim will forward remaining documents, which are due 24 September, when they are received from city. Dennis will review documents referred to in O&M Plan, then advise Kim. Kim will send Dennis an email regarding which WA and task this effort will be performed under.
- Dennis received the health and safety plan from Kim.
- Dennis will ask for the water level data from Stacey/Lana.

### Construction

- All work is done at Encanto Park, except for the booster pump control panel modifications and the vault instrumentation cable, which both should be completed by 30 September.

### Well Construction

- Bill is continuing work on agreement with Muni regarding the boosting of the water. The Muni 9<sup>th</sup> Street well is still down.
- URS replied to Dave Solomona with comments on startup plan, still need to review the second version. Adam will forward a copy of the second version to Kim.
- Kim noted that if startup of Encanto Park is moved to a high priority, a timeline will need to be developed to support the startup.
- Mark will send Dennis the July and August RTU water level data after corrections have been made.
- Mark will forward the pump test data 109, 110, and 111 to Dennis.
- Dennis will send Kim the list of SDGs that need validation.
- Adam will send what he currently has of record drawings to Bill in AutoCad format.

### General

- The next technical meeting is tentatively scheduled for week of 3 October.

### Community

- None.
